*"That Easter morn with joy was bright."*

And what a bright Easter morn it was. From the men's breakfast, to Easter egg hunting, to a sanctuary filled with family and friends, to the choir's vigorous declaration, trumpet duo acclamations, and Jayne sharing "I know that my Redeemer liveth"; we celebrated Our Lord, Risen from Death. But the new life which is ours because of the resurrection is more than ***a one morning thing***. We began earnest work on the "new life" 3 – 4 weeks before Easter and our work will continue across weeks to come. And that is just our worship consideration.

**The resurrection changes our life – if we will claim it**. Our life becomes something new. The resurrection does not call us to yesterday and the way things were – it sends us into God's future. It charges us with new responsibilities. It emboldens us with new blessings by God's Spirit.

Across these weeks we will cover "resurrection basics" – understandings which are necessary and we will move to "resurrection: advanced work" – which is new life applications. I hope you will join us as we do our "**Easter work**". It is more than a one morning thing!

### **The Gospel of Mark: In Mark's Words**

Beginning May 11, the adult class will be starting a 5-week study of the Gospel of Mark, led by Pastor Dave. The class will be in a "seminar format", which is to say it will focus on **your** observations and reflections. It will be focused on the book of Mark, as a whole, rather than a study of specific verses. This format allows for each person's observation, because there is no expert answer. On the other hand, Mark is written in a very intentional style and certain questions become obvious when you read the book "as a whole". Come join us for a mystery, for investigation, and for inspiration.

Fair warning: because of the seminar format you **do** need to do the reading (homework). But be encouraged, the whole gospel is only 16 (or 22) pages. The Gospel of Mark: In Mark's words, starting May 11.

### **How I ate my way through Easter**

On the Saturday of Palm Sunday I ate scrumptious "monkey bread" from the Deacons bake sale. On Maundy Thursday, it was chicken tenders with olives and Kasara cheese. On Easter morning it was the Men's breakfast. Now I am not really talking about what I ate, although it was excellent. I am talking about how the "table was set" for our Easter journey. I am talking about all the volunteer effort which went into the preparation, which went into meals and food for the congregation as we journeyed to Easter. Add on the youth group preparing for the Easter Egg Hunt, add in the decoration of the sanctuary, and the setting of tables for meals. **Hospitality and vitality are an effort, a work behind the scenes.** We celebrate all the volunteers who gave of themselves so that our Easter was tasty, well appointed, and welcoming! Thank you all!

Rev. David Good

### **BPC Hosting Community Meal in June**

The next Community Meal we are responsible for will be Thursday, June 5, at the Senior Center. Our church hosts twice a year, serving a delicious meal to approximately 80 people from the community. Any monetary donations given by diners at the meal are given to the Bluffton Food Pantry. Leftover food is sent home with those in need.

The deacons are in charge of purchasing, preparing, and serving the food, but because this is an ***all-church effort***, there are plenty of ways you can be involved!

1. Bake a pie and watch eyes light up! We need 10, including a couple that are sugar free.
2. Give a monetary donation to help with food purchases.
3. Volunteer your time to help serve dinner and clean up.

Please watch for our sign-up sheets at the back of the church and the basket for donations. *Thank you for your support of this important Bluffton area outreach!*

## **In the season of new life (resurrection): a new beginning.**

On Monday evening, the day after Easter, we gathered in the fellowship area and celebrated the church's love for us and our love for the church. It was a first step in a fresh consideration of life and mission for Bluffton Presbyterian. It was the first step in the New Beginnings program.

The next step will be when we receive the "Assessment" which will be the result of Pastor Henry Kim's work for us. The assessment is about 50 pages long and covers everything: how we spend our time, how we use our building, where we live, how strong (or weak) our building is. It also includes detailed information about our neighborhood, who our neighbors are, what they are looking for in religious experience, and what they care about with their time and money. The "Assessment" does not give any answers as to what our future will be, or what choices we should make. That is our business, our work.

As we journey through the summer and fall, we will use the "Assessment" as a springboard for prayer, thought, and decision as we consider God's future for Bluffton Presbyterian.

Begin now to lift up our life together and ask God about our future. It is God's future, but it will be your prayer and your choices.

### **Highlights of April Session Meeting**

- Update on Building Restoration Project – When meeting with various contractors, Wellmann Brothers (Coldwater) was highly recommended several times for the brick/masonry part of the project. Bid secured from Wellmann Brothers (Coldwater) for \$29,872 for brick/masonry work, sealing, replacing necessary brick (estimate is 75 bricks with each additional brick being \$8), caulking stained glass windows, copper roof over handicap entrance.

M+R has determined that the present chimney cannot be taken down as three furnaces vent through it. Wellmann Brothers' bid for repairing/redoing the chimney making a chimney cap is \$11,488 (estimate is 100 bricks with each additional brick being \$8).

Approved hiring Wellmann Brothers from Coldwater to complete the brick/masonry/chimney parts of the Building Restoration Project per previously mentioned bids at approximately \$41,500. Money is paid in installments – upfront, midway, and completion of project. While we don't know the costs for the remaining parts of the project, session felt the brick/masonry part needed to be done before any interior work could be repaired.

One bid for Duralast roofing (over Library/Office wing) has been secured from St. Henry. Patching would be up to \$5,000 with replacement costing \$11,896. Tom Hursey will be meeting with a Findlay company that also uses Duralast to get a second bid.

Tom Hursey has met with at least two local contractors for the remainder of the project – doors, plaster, concrete, and painting – and is working to get bids from these contractors. Session is hopeful to have this information at May's meeting.

- Trees in the church yard were trimmed and one tree rubbing against the church was removed. M+R has fixed the drain in the sink in the women's restroom.
- Church has received \$264.84 from the village as reimbursement for electricity for the Blaze of Lights display. Church received \$750 from the estate of Jean Triplett – will be designated in the future. Approved having Clair Winebar audit the 2013 financial books.
- Secretary Cathy Carroll was given a card/gift card from the congregation in honor of Administrative Assistant's Day.

- Pastor Dave has continued to make home visits, weekly breakfasts, teach HS Sunday School class, Bluffton News article, participating in BAMA's Good Friday service, BAMA's devotion for the Bluffton News, Youth Group, preparations for New Beginnings visit, and serving on MVP's Reconciliation Team. Pastor Dave appreciates the work of the Deacons and being kept informed of needs.
- Approved extending the Bridge Contract for another three-month period and continuing with the rental agreement at the rate of \$663 per month. At the end of this additional time, information we receive from the New Beginnings report could then be included in an Interim Contract. Approved granting Pastor Dave study leave from April 28 -30 so that he might travel to Boston to be an assessor for New Beginnings. Approved granting vacation time for May 16-17 for Pastor Dave to travel to Washington, DC with his father-in-law on Honor Flight program.

### March Financial Report

Beginning Balance	\$ 50,385.95
Receipts	11,707.21
Expenses	(12,756.86)
*Balance 3/31	\$ 49,336.30
*Building Restoration Fund	\$25,940.00
*General Fund Balance	\$23,396.30

### BPC Treasurer Position

If you are a BPC member with bookkeeping skills and available time, we ask that you prayerfully consider applying for the Treasurer position.

The Treasurer is responsible for conducting the routine financial functions for the church. Primary functions include:

- Maintaining the financial records (books)
- Maintaining records and balances for Church funds (general, memorial, building, special events)
- Tracking of funds by budget line
- Tracking pledges and donations; preparing and distributing quarterly giving statements to members and friends
- Acknowledgement of memorial and special gifts
- Reconciliation of financial records to bank statements
- Payment of bills and payroll; ensuring disbursements are authorized
  - Payroll tax and reporting functions (withholding and tax returns and payments)
  - Handling medical, insurance, and pension reporting for Pastor
  - Preparing monthly statements for Session
  - Preparing annual report for Congregation

The 2014 salary for the Treasurer position is \$4,906. The position typically requires four to six hours a week. Required skills include bookkeeping or accounting experience, diligence, basic computer skills (Excel spreadsheets, etc.), and good communication skills.

Session feels that we are better served by having a member serve as Treasurer, and would like for the Church to continue this practice if we are able to do so. If we must hire an outside accounting firm to handle the Church's finances, Session estimates that annual costs would most likely increase to roughly \$7,500. Using an outside accounting firm would represent a significantly higher level of expense for our Church. The Church's business function would also become a little less personable, and transactions and reporting would likely require longer lead-times.

If you have any questions regarding the Treasurer position, please feel free to discuss with Cathy or any member of Session.

## Estate Planning

Few of us find it pleasant to contemplate our own demise. Yet as responsible stewards of the gifts God has entrusted to our care in this life, we should realize that the time will come when someone has to decide what happens to the assets we have accumulated over our lifetimes.

We all want to provide for our children and grandchildren. Most of us want to leave something more substantial than pleasant memories for the generations that follow us. One of the best gifts we can give to our survivors is a will, a plan detailing how we wish our affairs to be concluded. Survivors have enough to worry about: dealing with their grief, making or fulfilling the final arrangements. It is a loving act to provide survivors with a plan that we have carefully considered that removes from them responsibility for making decisions about the distribution of our accumulated goods. We strongly encourage anyone who does not have an estate plan to make an appointment with an attorney to create a will. That act can alleviate your own anxiety, as well as that of surviving children and other heirs.

Our denomination has designated May as "Wills Emphasis Month" to encourage congregations to emphasize to members the importance of making an estate plan. We further encourage members to consider making a charitable bequest to the church in that plan. Just as we encourage members to give a generous portion of their yearly income to the church's operating budget, so we hope our members make provisions in their estate plans for a generous gift to the church. So doing helps assure that future generations will have this church available to minister to their spiritual needs. Previous generations provided us with the church we enjoy through all life's seasons. It is only responsible stewardship to see that legacy continue.

We will observe Wills Emphasis Sunday on May 18. We will have some materials available that could help you get started making your own estate plan. It's never too early to get started.

## Mobile Meals – Volunteer Drivers

Mobile Meals of Bluffton is looking for volunteer drivers to deliver meals. A driver is needed on the second Monday and another driver is needed on the third Friday of each month. Meals are delivered only in the Bluffton community and it takes only 30 to 45 minutes. Delivering Mobile Meals is a practical volunteer project that helps people in our community. If you would like to help out with this worthwhile, important volunteer work, please contact Mary Ann Ring, MMH Volunteer Coordinator, at 419.358.1015, Extension 248.

## Presbytery Commissioner

We are in need of a Presbytery Commissioner to represent our church at Maumee Valley Presbytery meetings. MVP meets about 4-5 times a year in various parts of our presbytery – northwest Ohio and southeast Michigan. Only requirement is that you must be an Elder (does not have to be currently serving). If you are interested, please contact Lori Schmidt, Cathy Carroll, or Pastor David Good.

## Mobile Health Fair 2014

Plans are now underway for the 2014 Mobile Health Fairs in Maumee Valley Presbytery, which will be held this year from June 23 – July 1 to help migrant workers and others in need in Northwest Ohio. As in the past, the Presbytery would like to have hygiene and/or dental kits to give to those coming to the Fairs, and the Mission Committee would like to challenge the congregation to surpass our very successful collection of last year!

There are a couple ways to participate. If you would like to donate a preassembled hygiene kit, please bring a bag with a washcloth, soap, comb, shampoo, and possibly a nail brush. Dental kits would include a toothbrush (individually wrapped) and toothpaste. Optional items could include dental floss, chapstick, sunscreen (minimum SPF 15) or non-medicated eyedrops. Please bring the bags to the church on or before Sunday, May 18, and leave them in the designated boxes in the back of the sanctuary. (If anyone has any medium-sized to fairly large cardboard boxes they would like to donate, they would also be greatly appreciated!)

We will hold a “packaging” party on Sunday, May 18 after worship, for any volunteers who would like to help the Mission Committee assemble any loose items and put our church “sticker” on each bag. Presbytery would like to have the materials brought to the Presbytery meeting at Waterville, OH on May 20.

I'm sure I don't have to tell you this, but please be reminded that all items should be NEW, not “gently used”!! ;-)

And as we also have done in past years, financial donations will be accepted and given to the Presbytery to be used for follow-up medical or dental care, if you don't care to donate a kit. Please designate “Mobile Health Fairs” in the memo line of your check, and make it payable to Bluffton Presbyterian Church.

Please join the Mission Committee in this outreach project. If you have any questions or would like more information, please contact Pastor Dave, Beth Buist, Shirley Kisor, or George Stultz. Thanks!

## An Offering of Letters

Bread for the World (bread.org) is an organization whose mission is to alleviate suffering throughout the world by encouraging our leaders to support food aid. Mission Committee has decided to hold a letter writing campaign urging Congress to reform food aid on May 4 after worship.

We will have the addresses of our local congressional leaders, paper, pens, stamps, envelopes, and sample letters to assist all who participate. Join us in this mission to keep our leaders mindful of hunger in our world.

## Our Daily Bread Soup Kitchen

The next date for serving lunches at Our Daily Bread Soup Kitchen will be June 5. Anyone interested in volunteering, please contact Shirley Kisor. Volunteers meet at the church parking lot at 9:40 AM and typically return by 12:30 PM.

## Arts and Crafts Show

Bluffton Presbyterian Church will once again be serving a lunch during Bluffton's annual Craft Show held on Saturday, May 10. Items requested to be donated include pies, cookies, brownies, canned pop (name brands only), and bottled water. Workers are needed for various shifts: set up, kitchen crew, serving, cleaning up.

If you are able to help that day by working or donating items, please either complete a bulletin insert or contact Jodi Brauen. Proceeds from this meal are designated for our general budget. Thanks in advance for your part in making this event a success. Prayers for good weather would also be appreciated!

## **Individuals and Families are Welcome for the Bluffton-area Relay for Life in June.**

The Enneking family (Team Blue) is helping on the Relay for Life planning committee and welcomes others to get involved. This year's event will be held on Friday, June 20 and Saturday, June 21 at the Bluffton University Football Stadium. "Believe" is the theme for the evening program. Cancer survivors will be treated to a Survivor Meal beginning at 4:30 PM, the opening ceremony will begin at 6:00 PM followed by the survivor and caregiver lap and "team" lap. The public is invited for a Chicken BBQ dinner, lots of great entertainment, a 4x100 team relay race, silent auction, pie auction, kids' games, and the Luminary Ceremony and candlelight lap at 10:00 PM.

In order to encourage more people to participate in the Relay, people do not have to be on a Team. Families can pay a fee of \$25 to support the event and come out to walk a few laps; individuals can be part of the event with a \$10 donation. If you would like to purchase a luminary in honor or memory of someone, the cost is \$5 and forms are available. The Team 4x100 "Relay for the Relay" is a new event planned by Team Blue. We are looking for teams to pledge to run (as fast as they can) to support the Relay (each team member runs 100 meters - 1/4 of the track)! On Saturday morning, a Dog Walk will begin at the Augsburg Rd. parking lot and continue to the Nature Preserve (7:00 AM registration).

BPC member, Lynda Best, is the chair of this year's event and has been putting a lot of time into the planning. Ask Lynda for Chicken BBQ tickets and information about the Dog Walk. See her in action at the Relay Garage Sale (May 3), Craft Show (May 10), and at the Relay! Way to go Lynda!!

This year's event is an independent fundraiser for the American Cancer Society. What that means is that ACS is not paying a staff member to organize the event (allowing more money to go for research) AND it is allowing our local committee to design an event that our community will enjoy. If you or your family want to be involved in this

local event to raise money for cancer research, contact Carole Enneking (419-358-4150 or by email [jcenne@gmail.com](mailto:jcenne@gmail.com)) or Lynda Best for more information.

## **Weekday Christian Education Walkers**

Our next (and last for this school year) assigned day to provide the walkers to escort the students to Weekday Christian Education is Friday, May 9. Please sign-up on the sheet in the Narthex if you are available to help.

## **Sunday School Classes**

The last day of Sunday school for the youth will be on May 18. We will resume classes on September 7.

On May 11, the adult class will be starting a 5-week class on the book of Mark taught by Pastor Dave. Please join us in the library.

Thank you to all the volunteers that have assisted in the efforts of the Weekday Christian Education program.

## **Youth Group**

Our monthly meetings will resume in the fall. Please watch the newsletter and email for information regarding any special events this summer. Thank you for a wonderful year of learning, laughter, and love! Tenna

## **Vacation Bible School**

This year's Community Vacation Bible School will be held July 20-24 at St. Mary's Catholic Church, 160 North Spring Street. This year we are responsible for the Bible Adventure. Registration forms will be available at area churches, sent home from school, or contact Becky at [bmeyercre@embarqmail.com](mailto:bmeyercre@embarqmail.com).

## Deacon Report

- **THANK YOU** to all who donated their time and effort to make the annual Easter Bake Sale a success! We raised \$426, with \$142 going to our Youth Group's 30-Hour Famine mission project, and \$284 going toward our church's Building Restoration Project.
- **CONGRATULATIONS** to all our high school and college graduates! A reception honoring their accomplishments will be held after worship on May 18.
- Please see the separate article for information about the Community Meal being held on June 5. Bluffton Presbyterian Church is hosting this meal.

### BPC Prayer Chain

If you have a prayer request, please contact Diane Winebar (419-957-4046 or [dwinebar711@gmail.com](mailto:dwinebar711@gmail.com)), or call the church office (419-358-5806) with your prayer request, and they will pass along the information. If you would like to add someone to the prayer chain other than yourself, please be sure to get their permission first. Names and circumstances can be kept confidential, if desired. God knows for whom we pray.

If you would like to be part of the chain or would like more information, please contact Diane or another deacon.

For Everything There is a Season

## High School Graduates

*Samantha Rhonemus*

During my time in high school I have been involved in a variety of things. I am in band, choir, chamber choir and a member of show choir, along with singing in a small quartet. I was in the musical all four years. I am involved in my church choir and praise team. I also played volleyball all four years in high school. I am involved in my church youth group and also have a summer job at our local ice cream shop. I am currently in Design 1 and Art Seminar; previously I have taken Photography 1 and Art 1.

This year I have entered a few of my art pieces into a couple of art shows. I had two different pieces selected for two different shows. The first one was chosen for the Kewpee Art show at The Lima Art Space Museum. The other art work was chosen for the Hogcreek Review Show.

I was accepted to Ashland University for next fall and plan to study commercial art. Ashland is like the college version of Bluffton. It's small but growing. Everyone there is welcoming and wants to help you further your education. I am looking forward to attending Ashland University next fall.

I would like to thank you, the congregation, for being there for me. You can definitely say that we are a family and over the years I have felt so much love. Thank you for all of your support throughout the thirteen years I have been in the Bluffton School system.

*Molly McCracken*

Molly McCracken is graduating from Bluffton High School and Apollo Career Center this year. At Apollo, Molly was enrolled in the Hospitality Program. She will continue her education next year by participating in a job skills program at St. Rita's called Project Search. Through this program she will learn employment skills while participating in internships within the hospital. Her mentors will help her learn job skills with the goal of obtaining a paid community employment. She is excited to participate in this program.

*Emily Sycks*

Throughout high school I have participated in many musical activities, including marching band, pep band, jazz band, concert choir, chamber choir, show choir, and string orchestra. I am also the field commander for marching band and am a member of the National Honors Society. I tutor both elementary age and high school students, and was a member of both Art Club and Latin Club. This fall I will be attending Ashland University to major in Early Childhood Education.

# College Graduates

*Devin Kisor*

Devin Kisor will graduate from Ohio Northern University on May 11 with a Bachelor of Science degree in mathematics and a minor in statistics. Devin was a Dean's list student and has specialized in mathematical data analysis. He had a successful career as a college baseball player, being named to the all conference team in 2012, as well as joining the ONU ".300 club" with a career batting average of .327. Devin combined his love of baseball and mathematics in his senior capstone project where he detailed the use of statistics to predict player performance. Devin will start his professional career as a data analyst and underwriter for Auto-Owners Insurance, based out of the Lima, Ohio hub.

*Rebecca Winebar*

Rebecca Winebar will graduate May 10 with a Master of Business Administration degree from the University of Houston's Bauer College of Business. Rebecca completed her graduate studies while working at C3 Solutions, LLC, a Houston-based technology management firm. She recently was promoted to Director of Marketing at C3 Solutions. She is thoroughly enjoying her time in Texas, while missing the Midwest and everyone here.

?u=http%3A%2F%2Fbnxp1nu4.c...

*Lindsay Krohn*

I graduated from New Washington High School in New Washington, IN in 2010 and will graduate from Bluffton University with a Middle Childhood Education Degree this weekend 2014. While at campus I was a part of the volleyball team, FCA, SERVE, Resident Advisor, and Student Ambassador. I am currently looking for teaching positions in the Cincinnati area and will be getting married this summer :)
